

Become a Paid Family Caregiver with Elite Care & Services

Are you already providing care for a loved one? Why not get compensated for the support you're already giving? At Elite Care & Services, we offer a unique opportunity for family caregivers. If you're caring for someone who's Medicaid-eligible and lives in Wayne, Oakland, or Macomb County, you can sign up as their caregiver and receive payment for your work.

Here's How It Works:

- **Eligibility:** Your loved one must be Medicaid-eligible, need assistance with at least one Activity of Daily Living (ADL), and live in Wayne, Oakland, or Macomb County.
- **No Residency Requirement:** Whether you live with the client or not, if they meet the requirements, you're eligible to be compensated.
- **Switch Providers:** Is your loved one already approved through another agency? No problem! They can switch to Elite Care & Services and still qualify for support.

Additional Perks:

- **Referral Rewards Program:** For every new client you refer, you're eligible for our Referral Program, receiving a \$25 gift card for each approved client.
- **Competitive Pay:** We offer competitive pay rates, with details available when you inquire. Call us to learn more about how we can support you as a family caregiver.
